## INTRODUCTION

### **DISTRICT PROFILE**

- ❖ West Kameng lying approximately between 90°30' to 92°40' East Longitudes and 26°56' to 28°01' North Latitudes with its District HQ at Bomdila, Covering an area of 7,422.59 sq Km.
- ❖ District HQ Bomdila of West Kameng District is located at the height of 8,500 feet.
- ❖ The District is surrounded by Tibet Region in the North, Bhutan in the West and Tawang District and East Kameng District of Arunachal Pradesh are in the North West and East respectively. The southern boundary adjoins Sonitpur and Darrang District of Assam.
- ❖ District has a total population of 83,947 (as per 2011 census) consisting of 46,155 Males and 37,792 females.

### **PHYSIOGRAPHY**

- ❖ The district is mostly mountainous. It has three principal mountain chains
- ❖ Part of Sela range 14,000 to 15,000 feet.
- ❖ Bomdila range 9,000 feet.
- ❖ Chaku range (foot - hills range) of low altitude.

### **RIVERS**

The District has numerous rivers such as:-

- ❖ Kameng (Bhoral)
- ❖ Tenga
- ❖ Bichom
- ❖ Gachham
- ❖ Jamiri(Dhansiri)
- ❖ Nargum
- ❖ Dirang- Chu

**ADMINISTRATIVE SET UP OF WEST KAMENG DISTRICT**

1. ADC HQ	6 Nos.
2. EAC HQ	3 Nos.
3. Circle HQ	4 Nos.
4. CD Block	5 Nos.

**POLICE STATIONS**

1. Bomdila
2. Dirang
3. Kalaktang
4. Rupa
5. Bhalukpong
6. Balem
7. Nafra
8. Thrizino
9. Fire Service Station Bomdila

**PANCHAYAT SETUP**

1. Chair Person Zilla Parishad	01 Nos.
2. Zilla Parishad Members	09 Nos
3. Total number of Anchal Samity	09 Nos.
4. Total number of Gram Panchayat	97 Nos
4. Assembly constituency	04 Nos.

### **TOURIST SPOTS**

1. Sangti Valley
2. Hot Spring Dirang
3. Upper Gompa, Bomdila
4. Chillipam Gompa
5. Singchung Eaglenest Sanctuary

### **ROADS (Distance from district HQ)**

**FOREST**

<b>Sl.No.</b>	<b>Total forest area covered</b>	<b>Burnt area covered</b>	<b>Year</b>	<b>Remarks</b>
1	4265.65 sq.km			

**HORTICULTURE PRODUCTION AND AREA (as per 2014-15 Census)**

<b>Sl.No.</b>	<b>Horti.Crops</b>	<b>Areas in Hect.</b>	<b>Production in MT</b>
1	Apple	3430	6481.02
2	Banana	10	256.88
3	Walnut	260	382.2
4	Pears	40.5	13.97
5	Peach	20	57.33
6	Plum	20	57.44
7	Orange	136	873.34

**AGRICULTURE PRODUCTION AND AREA (as per 2014-15)**

<b>Sl.No</b>	<b>Agriculture crops</b>	<b>Production in MT</b>
1	Food grains	8210.59
2	Pulses	573.10
3	Mustard seeds	223.75
5	Potato	3264.32

**COMMUNICATIONS**

Sending all Out-Messages on behalf of Camp Officer of the Relief Camp. Data Collection, record keeping, assistance in locating missing persons, information center, Organization of information for Site Operations Center and on specific demands, Maintaining In-Message and Out-Message register. In addition, the following facilities are available in the communication room:

- Telephones
- Fax
- Intercom units
- VSAT connection
- PC with modem and printer
- Mobiles
- Photocopying machine
- Wireless

The media should handle such sensitive situation carefully as it may affect the victims mentally. It should issue the truest information as far as possible. Rumors should not be spread. The correct numerical data should be published so that the public is not misguided.

**AIR COMMUNICATION**

Sl.No	Location of Helipad	Nos.	Details	Remarks

## **AUTHORITY OF DDMP**

The Disaster Management Act 2005 provides for an effective institutional mechanism for drawing up and monitoring implementation of disaster management plan for prevention and mitigating effects of disasters and for taking a holistic, coordinated and prompt response to any disaster situation. Under Section 78 of the DM Act 2005, powers are conferred to the State Government for making rules to carry out the provisions of this Act and notify such rules in the official gazette.

DISTRICT DISASTER MANAGEMENT AUTHORITY (DDMA) Section 25 of DM Act 2005 & National Policy on DM 2009 – mandates establishment of DDMA for every district and provides its composition. DDMA will be headed by the respective District Magistrate/District Collector (DC)/Deputy Commissioner as the case may be, with the elected representative of the Local Authority as the Co-Chairperson ex officio. DDMA will act as the planning, coordinating and implementing body for DM at District level and take all necessary measures for the purposes of DM in accordance with the Guidelines laid down by the NDMA and SDMA. It will, inter alia, prepare the District DM plan for the District and monitor the implementation of the National Policy, the State Policy, the National Plan and the State Plan concerning its District.

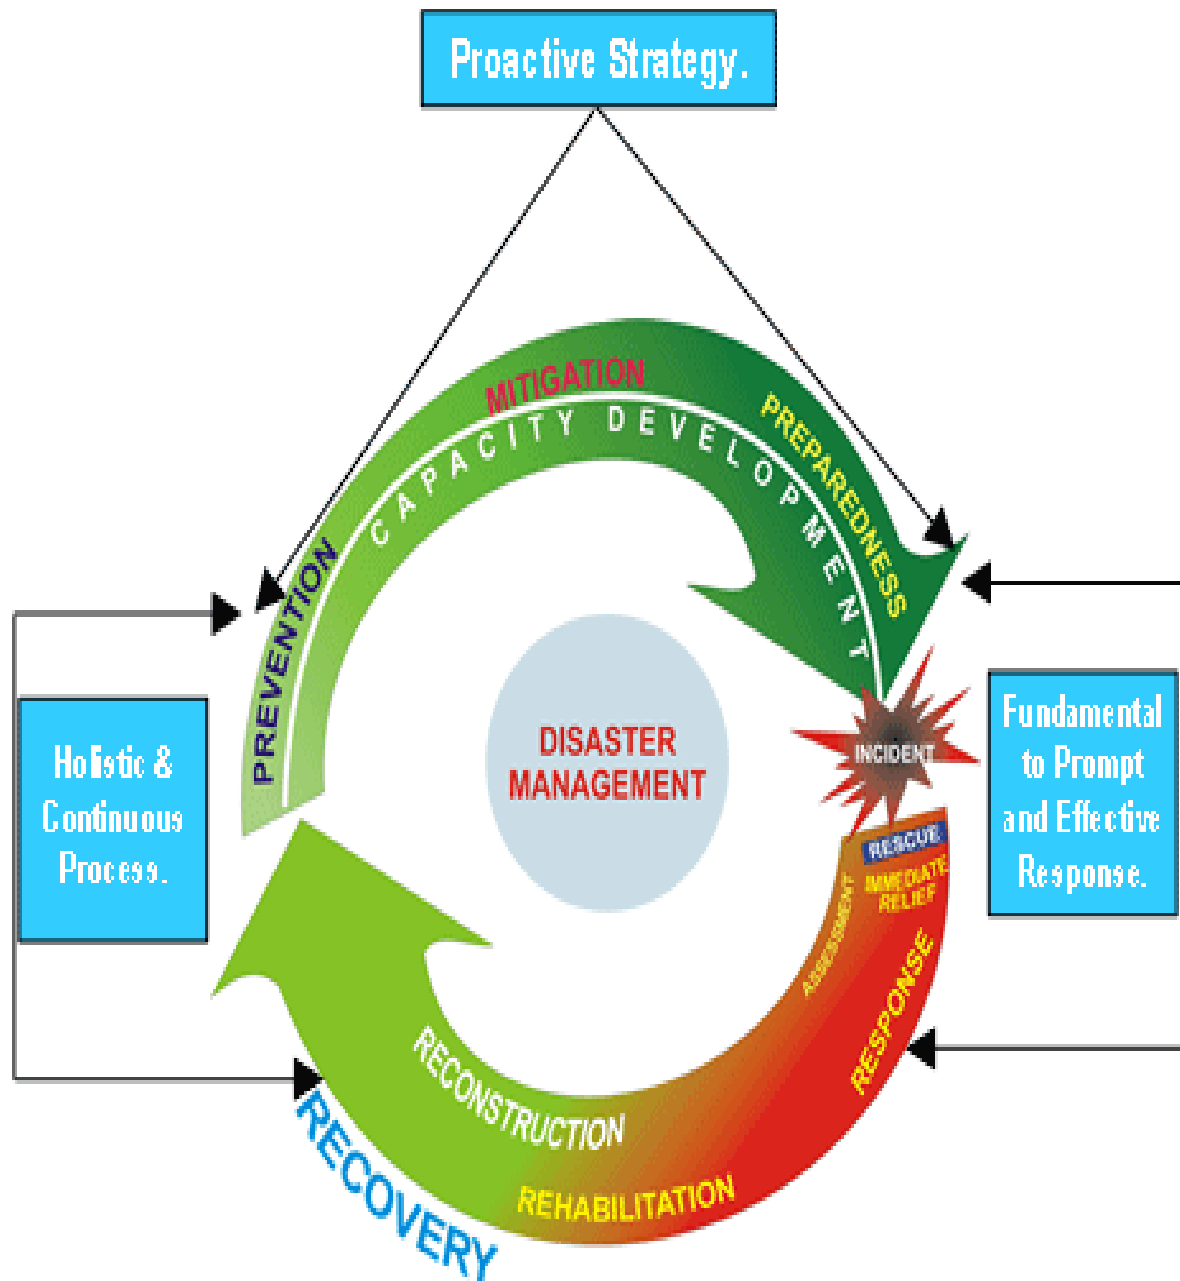

The DDMA will also ensure that the Guidelines for prevention, mitigation, preparedness and response measures lay down by NDMA and SDMA are followed by all Departments of the State Government, at the District level and the Local Authorities in the District.

Section 30 and 31 of DM Act 2005 provides for details of District disaster plan and mandates that the District Authority as the district planning, coordinating and implementing body for disaster management and it shall take all measures for the purposes of disaster management in the district in accordance with the guidelines laid down by the National Authority and the State Authority.

## **OBJECTIVE OF THE PLAN:**

- To mitigate impact of natural and man-made disasters through preparedness at District level, Block level, Circle level and village level.
- To provide effective support and resources to all the concerned individuals, groups and departments during disasters.
- To assist the line depts., circle administration, communities in developing compatible skills for disaster management.
- To disseminate factual information in timely, accurate and tactful manner while maintaining necessary confidentiality.
- To develop immediate and long term support plans for vulnerable people in/during disasters.
- To create awareness among the people about hazard occurrences and increase their participation and preparedness, prevention, development, relief, rehabilitation and reconstruction process.
- To have response system in place to face any eventuality.

# DISASTER MANAGEMENT CONTINUUM

## **DISTRICT DISASTER MANAGEMENT ACT 2005**

Disaster Management Act 2005 which makes it mandatory under Chapter IV section 25 to constitute District Disaster Management Authority at district level for the better management of disasters by way of preparation of DDMP as required under section 30 (2) (1) of the act. In the section 2 (e) of this Act defines Disaster Management as continuous and integrated process of Planning, organizing, coordinating and implementing measures which are necessary for:

- Prevention of danger
- Mitigation ,reduction of risk of any disaster
- Capacity Building
- Preparedness to deal with any disaster
- Prompt response
- Evacuation ,Rescue and relief
- Rehabilitation and Reconstruction

## **PREVENTION AND MITIGATION MEASURES**

Prevention consists of actions that reduce risk from natural or manmade disaster incidents. These include objectives like:

- Provide better early warning methods for flood, forest fires, landslides etc.
- Reduce the destruction and loss of life within buildings
- Provide for safer environments for transportation systems
- Eliminate flooding in populated areas
- Ensure redundant water supply systems
- Reduce environmental degradation and restoration of livelihood
- Reduce effects of the natural environment on the infrastructure
- Ensure redundant power systems on critical facilities
- Ensure adequate materials available for road maintenance

Mitigation, has its focus on the impact of a hazard, encompasses the structural and nonstructural approaches taken to eliminate or limit a hazard's exposure; impact on people, property and the environment.

The long term vision of this DDMP is to have flood proofing, river desilting, and change in land use pattern and shelter belt plantation

1. Town Planning Act: Planning, adopting and enforcing stringent building codes, flood-proofing requirements, seismic design standards and cyclone wind-bracing requirements for new construction or repairing existing buildings.
2. Zoning Regulations: Planning and adopting zoning ordinances that steer development away from areas subject to flooding, storm surge or coastal erosion.
3. Development Control Regulations: Incorporate the disaster management concerns into development. This should include all Government Sponsored Developmental Programs and Schemes.
4. Undertaking retrofitting work on public buildings to withstand ground shaking critical infrastructure, school and other community buildings to be built at elevated places. Keep trees and shrubs trimmed. Remove damaged and decayed parts of trees to make them resist wind and reduce the potential for damage.
5. Removal of hoardings
6. Land use regulation: Planning and building community shelters and safe rooms to help protect people in their homes, public buildings and schools.
7. Safety norms for economic and social infrastructures including places of worships and crowd management: Steps taken for developing and implementing public safety norms for critical infrastructures and places of worships.
8. Capacity Building for Mitigation: Steps taken for human resource development and capacity building for effective disaster mitigation at District Level.
9. Awareness generation on disaster mitigation.

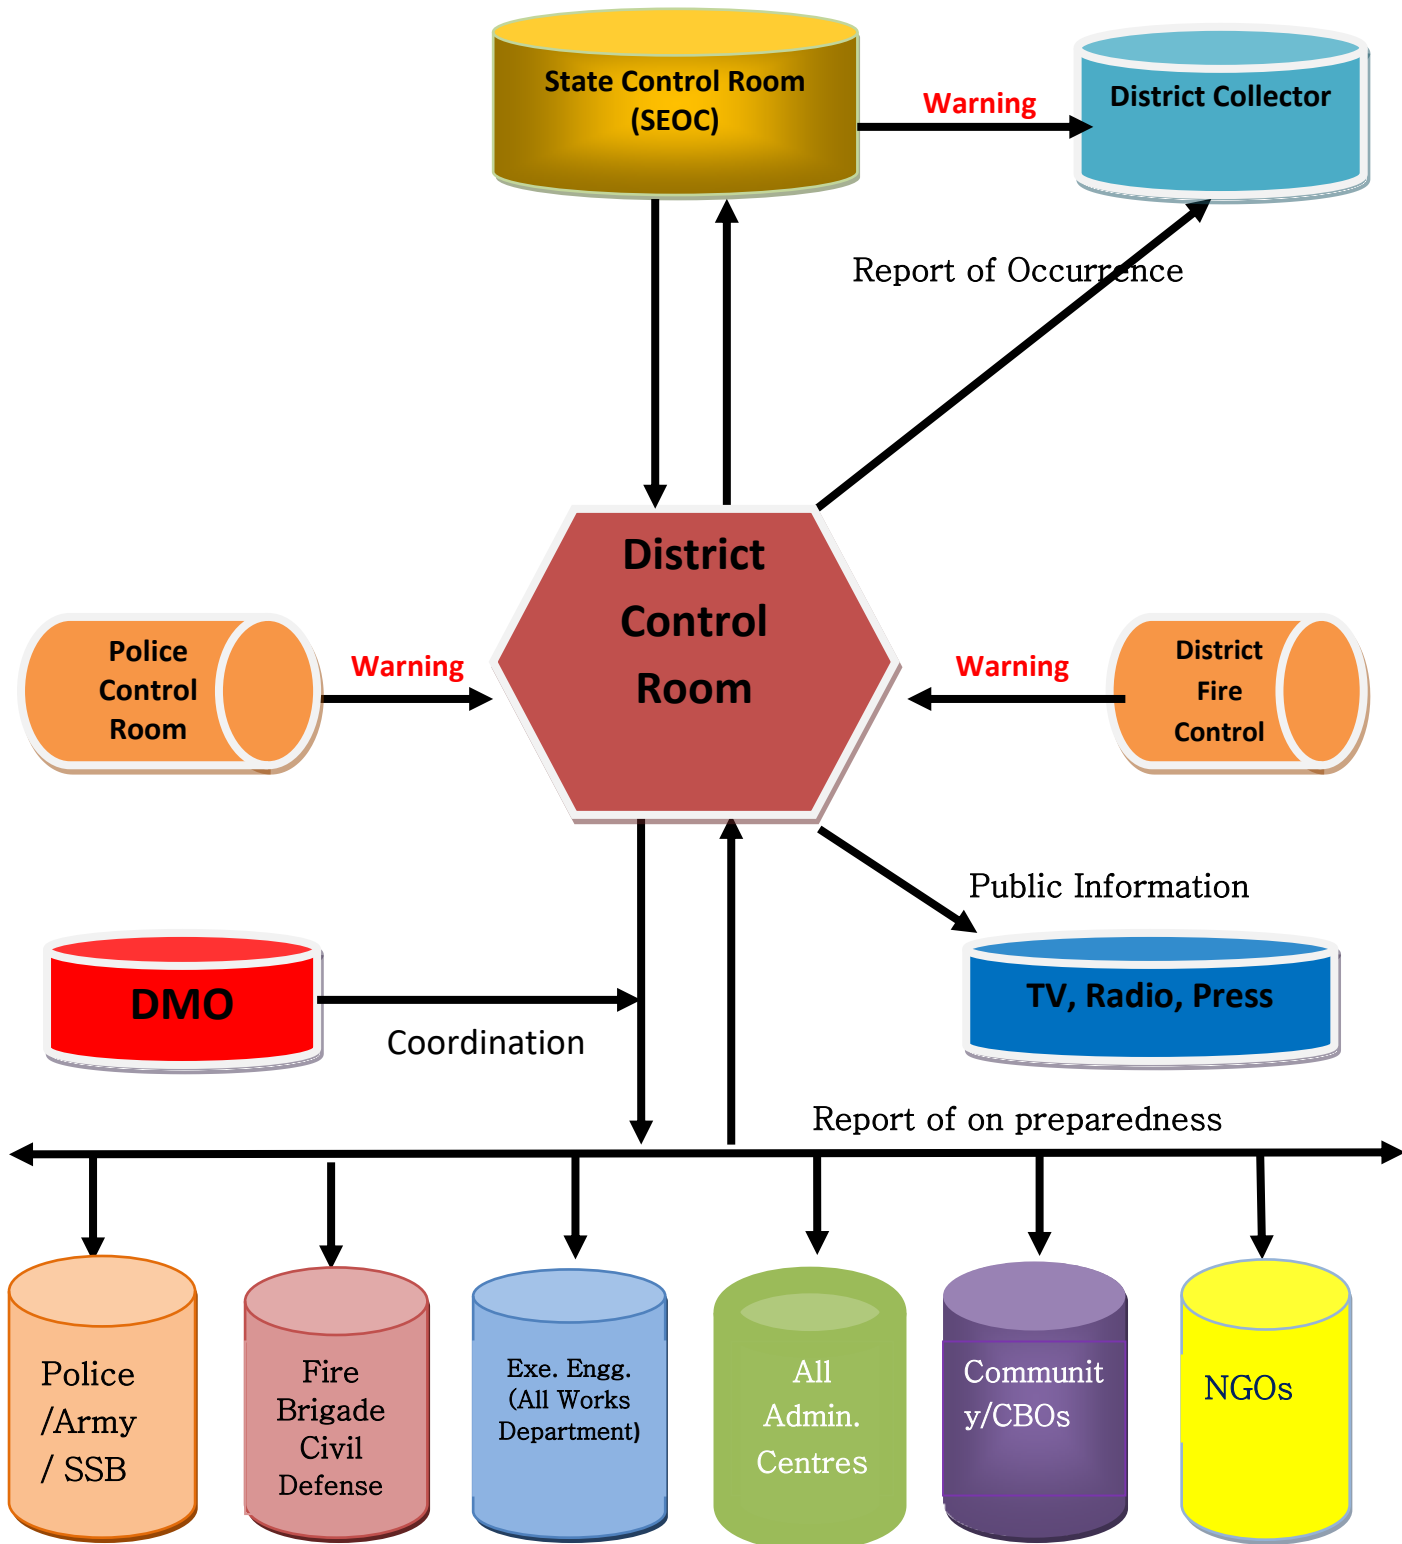

## **PREPAREDNESS MEASURES**

Planning is the one of the key elements in the Preparedness cycle. Preparedness cycle illustrates the way the plans are continuously evaluated and improved through a round of planning, organizing, training, equipping, exercising, evaluating and taking corrective actions.

1. IRT: which prescribe Incident Response Team (IRT) at District, Sub-Division, Circle and Block level has been constituted under the written directives of District Magistrate (DM). These teams will include experienced officers / employees at all levels and respond to all natural and man-made disasters. The lowest administrative unit (Sub-Division, circle or Block) will be the first responder as the case may be.
2. District Emergency Operations Centre (DEOC): District Emergency Operations Centre becomes a nodal point for overall coordination of planning and response. Its main duty is to ensure that the EOC facility has required communication (connecting all stakeholders vertically and horizontally), Decision support system, alert and warning system in working conditions.

# Early Warning Dissemination

**EMERGENCY OPERATION CENTRE/ STANDARD  
OPERATION PROCEDURE**

1. Emergency numbers existing for Police, Fire and Medical support etc. are linked to the EOC for response, command and control under an SOP. For e.g., if there is any fire incident, the information should not only reach the fire station but also the EOC and the nearest hospital to gear up the emergency medical service.
2. NGOs carry out their activities in an equitable and non-discriminatory manner
3. Telephone directory of all ESF is prepared and available with EOC and members of IRTs.
4. Adequate exercises are conducted for testing the plan and gaps analyzed.
5. Plan Outlined to receive support from State and Central Government in a major disaster (e.g. helipads, evacuation, food distribution, medical support).

## **RESPONSE AND RELIEF**

The DM (RO/IC as per IRS) will hold a meeting to take stock of the situation, availability and mobilization of resources for listing out the various tasks and to provide proper briefing to the responders. The Incident Action Plan will be drawn and put into action based on the situation assessment. The DM / RO will nominate Operation Section Commander (OSC) based on —incident type and rest will follow as per IRS/IRT and other procedural guidelines issued by the state.

SOPS and checklist SOP is prepared for various stakeholders for effective response. These can be made based on the functioning of Emergency Support Function (ESF) groups or IRS.

The SOPs would briefly describe the following:

- ❖ Definition of disaster situations
- ❖ Action on receipt of warning and warning dissemination
- ❖ Process to access financial and technical resources (departments and stakeholders) for emergency response;
- ❖ Roles and responsibilities of the department or/and stakeholders in emergency response;
- ❖ Information management and dissemination strategy;

- ❖ Media management strategy during emergency response;
- ❖ Request for state government assistance
- ❖ Relief and Rehabilitation Norms (Standards) Emergency Response/ Support

Functions:

- Evacuation
  - Search and Rescue
  - Cordoning the area
  - Traffic control
  - Law and order and safety measures
  - Dead body disposal
  - Carcass disposal
- ❖ Humanitarian Relief and Assistance:
    - Food
    - Drinking Water
    - Medicines
    - Psycho social and Trauma care
    - Clothing
    - Other essential needs ,Shelter Management (disability-inclusive accessible emergency shelters and disaster relief sites)
    - Providing helpline
    - Repairs and restoration of basic amenities (e.g. water, power, transport etc)
  - ❖ Management of VIP visits
  - ❖ Maintenance of Emergency reserves including those by private agencies (Add more if necessary)

#### ❖ **Rapid Damage Assessment and Reporting**

Rapid Damage Assessment Team should be set up immediately after the disaster. It should include Z.P. members, agricultural officer to assess the crop damage, engineer of PWD to assess the damaged houses, S.P to maintain the law and order situation, NGOs and volunteer organizations, Tahsildar, etc. This team may immediately assess the damage undergone due to disaster and report it to the concerned department to get the immediate relief material from the government and also the foreign aid. Damage

assessment procedures are required to avoid litigations and delays in gratuitous relief and compensation, including insurance.

❖ **Law and Order**

The Police Department shifts the people to the safer places. It helps the Revenue Department to carry out relief work without any hindrance during disaster period and safeguard the properties of the victim. It will arrange law and order against theft in the disaster-affected area and co-ordinate with the search and rescue operation through NCC/VTF/NGO. It will also arrange for security at the relief camps/relief material storages. It is also responsible to maintain law and order at the time of distribution of relief material. It assists the authorities for evacuation of people to the safe places. It makes due arrangements for post mortem of dead persons, and legal procedure for speedy disposal. It specially protects the children and the women at the shelter places.

❖ **Public Grievances /Missing Persons Search**

A committee at the district level is constituted under the chairmanship of the District Collector, to address the grievances of the public regarding missing persons etc. The search and rescue team should search for the missing persons living or dead.

❖ **Animal Care**

The animal husbandry departments with necessary equipments in case of cattle death are there in the affected areas for the disposal of carcass with a view to restoration of public life and result oriented work. Make arrangements to treat the injured cattle, to vaccinate the animals against various diseases. Arrangement for pets and cattle should be made separately.

❖ **Management of Deceased**

The Carcasses Disposal team is responsible for the clearing of carcasses after the disaster. The team should put in all efforts to check spread of diseases by disposing off the carcasses at the earliest and in the right manner. The health department will immediately start the procedure for post mortem of the dead persons as per the rules. Disposal of dead bodies is to be carried to prevent the outbreak of epidemics. Arrangement should be made to issue death certificates of the deceased to the relatives.

❖ **NGOs & Voluntary Organizations**

NGOs and voluntary organizations are the first to respond before any outside assistance can reach the disaster site. In certain disaster prone areas a group of young volunteers are being formed and trained to undertake essential tasks which would reduce loss of life and property. NGOs and Voluntary organizations would contribute in the following areas:

- ✓ Ensuring communication links both within the community and with the administration.
- ✓ Controlling rumors and panic behavior and undertaking confidence building activities.
- ✓ Organizing local work teams for immediate rescue, and relief e.g. cooked food, first aid, and assistance in law and order, assisting the handicapped that need special help.
- ✓ Guarding major installations and evacuated properties till the Administration takes over.

## **RECONSTRUCTION, REHABILITATION AND RECOVERY MEASURES**

Following should form a part of this section: -

- Damage assessment mechanism
- Restoration of basic infrastructure
- Short term - Restoration of Basic Infrastructure including roads, bridges, drinking water supply, electricity, communication network and roads/ paths leading to the villages;
- Restoration/ Repair of the lifelines/critical buildings – repair/reconstruct the lifeline buildings /critical buildings which are necessary for treating the affected people or rehabilitation in these buildings as shelters.
- Reconstruction and Repairs
- Recovery program (both short and long term)
- The nodal departments are to be assigned the responsibilities of reconstruction and restoration activities, perform these activities diligently and restore the minimum

basic infrastructure in the area which is vital for sustaining human life in the area. These departments are PWD, Health & family welfare, Electrical, Development department for Roads and embankments like WRD and RWD, PHED for water supply and sanitation department.

## **CAPACITY BUILDING**

Developing institutional capacity is very important. At the same time, by making the local community part of the process and solution would help in ensuring that disaster mitigation measures are more likely to be implemented and maintained over time. The capacity building plan caters to the differential capacity building needs based on the functional responsibilities assigned to stakeholders.

It addresses –

- Institutional capacity building
  1. Officials / policy makers
  2. Engineers, Architects, Masons, Doctors, Nurses, Teachers and other professionals
  3. District Police & Fire Services
- Community capacity building and Community Based Disaster Management which has special focus on vulnerable groups – women, children, aged persons and persons with various kinds of disabilities.
- Knowledge Management, networking and sharing like Community registries to collate basic contact information for persons with disabilities.
- Disaster Management Education by means of mock drills, banner, nukkad natak, video clippings etc in
  1. Schools
  2. Colleges
  3. Hospitals
  4. Market areas
  5. Administrative buildings
- Skill up gradation and follow up training programmes

- Inventory of trained professionals, engineers, architects and masons, medical Professionals, rescue specialists etc.

## **EVALUATION, UPDATION AND MAINTENANCE OF DDMP**

### **Regularly review the implementation of the plan.**

- Check the efficacy of the plan after any major disaster/emergency in the district and see what did work and what did not work and make amendments to the plan accordingly.
- As per Sub Section (4) of Section 31 of the Disaster Management Act, 2005, the plan would be reviewed and updated annually.
- Keep District, State and National Disaster Resource Inventory updated (SDRN / IDRN)
- Update coordinates of responsible personnel and their roles / responsibility every six months or whenever a change happens. Contact details of the officers/officials who are the nodal officers or the in-charge of resources to be updated on regular basis.
- Plan should be web enabled with access on intra and internet.
- Plan should be circulated to all stakeholder departments, agencies and organizations so that they know their role and responsibilities and also prepare their own plans.
- Regular Drills / exercises should be conducted to test the efficacy of the plan and check the level of preparedness of various departments and other stakeholders.
- Regular training and orientation of the officers/officials responsible to implement the plan should be done so that it becomes useful document to the district administration.
- Army, NDRF, SDRF and other agencies should be integrated into the plan exercise regularly.

## **DISTRICT DISASTER MANAGEMENT AUTHORITY AND THEIR ROLE AND RESPONSIBILITY**

District Disaster Management Authority Members	Position
Deputy Commissioner	Chairperson ex-officio
Zilla Parishad Chairperson	Co- Chairperson
Addl. Deputy Commissioner (HQ)	Chief Executive Officer
Superintendent of Police	Member
District Medical Officer	Member
Executive Engineer, PWD	Member
DD (UD & Housing)	Member
Distt. Disaster Management Officer	Convener
Field Officer ,Disaster Management	Member

### **Power & function of District Disaster Management Authority**

Under the section 30 Disaster Management Act:- The District authority shall Act as the district planning, coordinating and implementing body for disaster management and take all measures for the purpose of disaster management in the district in accordance with the guidelines laid down by the National Authority and the State Authority.

1. Prepare a disaster management plan including district response plan for the district;
2. Coordinate and monitor the implementation of the national Policy, State Policy, national Plan, state Plan and District Plan;
3. Ensure that the areas in the district vulnerable to disasters are identified and measures for the prevention of disasters and the mitigation of its effects are undertaken by the departments of the Government at the district level as well as by the local authorities.
4. Ensure that the guidelines for prevention of disasters, mitigation of its effects, preparedness and response measures as laid down by the National Authority and the State Authority are followed by all departments of the Government at the district level and the local authorities in the district;

5. Give directions to different authorities at the district level and local authorities to take such other measures for the prevention or mitigation of disasters as may be necessary.
6. Lay down guidelines for prevention of disaster management plans by the department of the Government at the districts level and local authorities in the district;
7. Monitor the implementation of disaster management plans prepared by the Departments of the Government at the district level;
8. Lay down guidelines to be followed by the Departments of the Government at the district level for purposes of integration of measures for prevention of disasters and mitigation in their development plans and projects and provide necessary technical assistance therefore;
9. Monitor the implementation of measures referred to in clause (Viii);
10. Review the state of capabilities for responding to any disaster or threatening disaster situation in the district and give directions to the relevant departments or authorities at the district level for.
11. Review the preparedness measures and give directions to the concerned departments at the district level or other concerned authorities where necessary for bringing the preparedness measures to the levels required for responding effectively to any disaster or threatening disaster situation.
12. Organize and coordinate specialized training programmes for different levels of officers, employees and voluntary rescue workers in the district.
13. Facilitate community training and awareness programmes for prevention of disaster or mitigation with the support of local authorities, governmental and nongovernmental organizations;
14. Set up, maintain, review and upgrade the mechanism or early warnings and dissemination of proper information to public;
15. Prepare, review and update district level response plan and guidelines.
16. Coordinate response to any threatening disaster situation or disaster;
17. Ensure that the Departments of the Government at the district level and h local Authorities prepare their response plans in accordance with the district response plan;
18. Lay down guidelines for, or give direction to the concerned Department of the Government at the district level or any other authorities within the local limits of the district to take measures to respond effectively to any threatening disaster situation or disaster;

19. Advise assist and coordinate the activities of the Departments of the Government at the district level, statutory bodies and other governmental and nongovernmental organization in the district engaged in the disaster management.
20. Coordinate with, and give guidelines to, local authorities in the district to ensure that measures or the prevention or mitigation of threatening disaster situation or disaster in the district are carried out promptly and effectively;
21. Provide necessary technical assistance or give advice to the local authorities in the district for carrying out their functions;
22. Review development plans prepared by the Departments of the Government at the district level, statutory authorities or local authorities with a view to make necessary provision therein for prevention of disaster or mitigation.
23. Examine the construction in any area in the district and, if it is of the opinion that the standards for the prevention of disaster or mitigation laid down for such construction is not being or has not been followed, may direct the concerned authority to take such action as may be necessary to secure compliance of such standards;
24. Identify buildings and places which could, in the event of any threatening disaster situation disaster, be used as relief centers or camps and make arrangements for water supply and sanitation in such buildings or places;
25. Establish stockpiles or relief and rescue materials or ensure preparedness to make such material available at a short notice;
26. Provide information to the State Authority relating to different aspects of disaster management;
27. Encourage the involvement of non-governmental organizations and voluntary social-welfare institutions working at the grassroots level in the district for disaster management;
28. Ensure communication systems are in order, and disaster management drills are carried periodically;
29. Perform such other functions as the State Government or State Authority may assign to it or as it deems necessary for disaster management in the District.
30. Follow the guidelines mentioned in the DM Act, 2005 under section 25 to 34.

## **HAZARD, VULNERABILITY, CAPACITY AND RISK ASSESSMENT**

The district is prone to Disaster like Flood, earthquake, Landslide, fire and Epidemic etc. the district witnessed major flood and landslide in 2007-08 and 2016. Massive Fire accident occurred at Nafra in the year 2014-15 and 2016. Flood, fire and landslide are recurrent phenomena. The vulnerability to the Earthquake is high because of:-

1. Poor housing / building construction .
2. Poor socio-economic condition.
3. Poor literacy and education.
4. Difficult topography.

### **HISTORY OF DISASTER OCCURRED**

Sl. No	Year of Occurrence	Type of Disaster	Damage Caused	Area/ Location	Remarks
1	2010	Landslide Epidemic	Livestock Road Blocked	Nafra Circle	888 nos of Livestock Loss due to landslide and Foot and Mouth Diseases
2	2014	Fire accident	Houses Casualties	Nafra Circle	One life lost due to fire accident
3	2015	Fire accident Landslide	House Road Damage	Bomdila, Khalaktang, Nafra	Major Road damaged under khalaktang circle/ House damage under Bomdila and Nafra Circle
4	2016	Fire Accident, Landslide	House Life lost Road Infrastructures Water & power supply	Nafra Bomdila Rupa Bhalukpong	10 people death and 4 grievous injured due to Landslide.

5	2017	Fire accident/landslide/flash flood	House/Agriculture/Horticulture crop/hut/life lost/infrastructures/water supply/livestock	Bomdila/Nafra /Dirang/Rupa/ Kalaktang/ Singchung	4 people death due to wild fire Flash flood occurred at Dirang on 15th May 2017 around 36 houses fully damages 54 partially damage including Govt Qrts in west kameng district.
6	2018	Fire accident	House	Dirang/ Bomdila/Nafra	Major fire accident occurred on 27/1/2018 around 21 houses fully damaged and 6 houses partially and 96 families affected
7	2019	Cloud Burst	House/Livestock /crop / infrastructure damaged/	New Kaspi, Singchung	1 person (Lady) washed away and 5 nos. of houses fully damaged and 11 nos. of houses partially damaged due to flash flood occurred on 08 July'2019
8	2019	Flash Flood	House damaged	Forest colony, Bomdila/Sera village/New Bomdila	3 nos. of OBT house partially damaged
9	2019	Fire Accident	House damaged	Dirang market/ Thrizino/ Bhalukpong	3 nos. of OBT houses fully damaged and 1 no. SPT house partially damaged
10	2020	Fire Accident	House damaged	Mandala Phudung under Dirang/Mohan Camp/Dirang Bazar line/Tenzingao n (Camp No.3) under Shergaon Circle /	i. 24 nos. of ICL house fully damaged. ii. 01 nos. SPT partially damaged
11	2020	Thunder Storm	House damaged	Bhalukpong (Khola camp)/	1 no. of OBT house totally damaged.

### **RANKING AND PROBABILITY OF DISASTER EPISODES IN THE DISTRICT**

Based on the previous disasters experienced by the district, probability of Landslide ranks first. Accordingly the occurrence of other disasters such as flood, fire, earthquake, epidemic and drought rank as orderly mentioned.

Disastrous Event	Year of occurrence	Remarks
Landslide	Every year	<ul style="list-style-type: none"> <li>a. During summer season major landslide occur entire district.</li> <li>b. Last major landslide occurred at Bhalukpong on 1<sup>st</sup> July 2016.</li> </ul>
Flood	Every year	<ul style="list-style-type: none"> <li>a. District is prone to flash flood during summer</li> <li>b. Last flash flood occurred at Kaspi, Singchung Sub-Division on 08 July'2019</li> </ul>
Fire	Every year	<ul style="list-style-type: none"> <li>a. Last major Fire accident took place at Dirang on 27 January'2018</li> </ul>
Earthquake	Intermittent	<ul style="list-style-type: none"> <li>a. District comes under Quake Zone- V</li> <li>b. Last Moderate tremor felt at District on 19th July'2019</li> </ul>
Epidemic	- Do -	<ul style="list-style-type: none"> <li>a. Mouth and Foot disease 2010</li> </ul>
Drought	- Do -	-

## **IDENTIFIED VULNERABLE AREA IN DISTRICT**

### Circle Wise Vulnerable Areas

Sl.No	Name of Circle	Identify Vulnerable area	Remarks
1	Bomdila	1. Durga Mandir to Political garage Main road. 2. Sera & Pedung village road 3. Nag Mandir Colony. 4. Pangchen Colony 5. Police colony 6. 1 mile area 7. Apeda Colony. 8. Shantideva school 9. PNT colony	1. Prone to landslide & soil erosion 2. prone to F/Flash, landslide & Erosion
2	Thrizino	1. Kaya Village. 2. Sakrin and Palatari Village. 3. Palizi to Thrizino HQ	Prone Flood and Landslide
3	Singchung	1. Wanghoo. 2. Magopam. 3. Namfri 4. Tsering Pam 5. Dikhiyang 6. Wanghoo 7. Singchung HQ 8. Ramalingam 9. Bichom 10. Tenga Market 11. Dahung Lui 12. Ditching 13. Sachida 14. Hemoibung 15. Doimara 16. Foothills 17. Kamengbari	Prone to Flood /Flash flood and landslide
4	Dirang	1. Sapper Camp 2. Rama Camp 3. Dirang Township 4. Dirang Basti 5. Munna Camp	Flood / Landslide

		6. Sangti Village 7. 9 Mile area 8. Senge	
5	Kalaktang	1. Kalaktang. 2. Samdrung. 3. Morshing. 4. Chingi. 5. Boha. 6. Lower Dengzi/ Liphakpu. 7. Betchilling. 8. Balem. 9. Painaktang.	Flood / landslide
6	Nafra	1.Nafra town adjoining Bichom river 2. Khazalang village area adjoining Dinin river 3.Habitation area adjoining Shipiyang Nallah 4. Lower Ditchik 5. Upper Dzang 6.13-14 km & 17-18 km point from 9 mile BRTF road to Nafra	1.Prone to flood 2.-do- 3.-do- 4.-do- 5.Landslide/Cloud burst 6.Landslide
7	Shergaon	1. Shergaon village 2. Demachang 3. Jigaon. 4. Musaksing	
8	Thembang	1. 14 Mile area 2. Circle HQ , Thembang 3. Munna camp 4. 7 Kilo	Landslide and flash flood
9	Bhalukpong	1. Entire river side settlement area Tippi 2. Tippi Bridge /Tippi village 3.Industrial Estate Tippi 4. EAC,Office B/Pong 5. Entrance of Forest Guest House Tippi 6. Road side area of Lower Bhalukpong (Bazar Area) 8. Govt.Sec,School B/Pong 9. Routh Foundation School, Lower B/Pong	Flood/landslide/ industrial/fire/ earthquake

		10. Bhalukpong to Saddle Point- BCT Road.	
10	Rupa	1. Gorbow 2. Mukhuthing 3. Chikrimu 4. Membachur 5. 2 km Rupa 6. Thungree 7. Chillipam 8. Rupa Town 9. PHE Colony 10. Thungree 11. Hydel colony 12. Jungpam 13. Dukumpani 14. Dikshi 15. Gachambow 16. Krishna Mandir colony	Prone to flood, landslide and earthquake

### **IDENTIFIED TEMPORARY SHELTER/RELIEF CAMPS DURING DISASTER**

<b>Name of Circle</b>	<b>Type of Shelter</b>	<b>Contact to</b>	<b>Remarks</b>
Bomdila HQ	1. Multi Sports Indoor Club 2. Govt. Schools buildings 3. Buddha Stadium 4. Buddha Park.	1. Deputy Commissioner (03782-222021) 2. DDSE (03782-222182/222114) 3. ASM/GB concerned villages	Well connected with drinking water & electricity
Dirang	1. Govt. HSS, Dirang 2. 3. Zomkhang Hall, Dirang 3. Govt. middle school Dirang Basti 4. Lupon Stadium, Dirang 5. SSB Ground, Dirang 6. ITI Field, Dirang	1. Principal Govt. Hr. Sec school; Dirang 2. ADC, Dirang 03780- 242221/ 242226 3. Head Master Middle school 4. ADC, Dirang 5. Commandant, SSB Dirang 6. Principal, ITI Dirang	-do-
Thembang	1. Govt. Middle School, School Play ground 2. Community Hall, Thembang	1. Headmaster 2. CO, Thembang	-do-

Kalaktang	1. Kalaktang Club 2. Higher Sec. School 3. Police Barrack 4. Rangnang School	ADC, Kalaktang 03782-26661(0) 8974761533	Well connected with drinking water & electricity
Singchung	1. ADC's Office Building 2. SDPO's Office building 3. SDAO's Office building 4. SDPO's residential build 5. Club/Guest House	1. ADC, Singchung (03782-273313) 9436041699  2. Concerned officers	Water & electricity available
Thrizino	1. Govt. Hr. Sec. School Building, Thrizino 2. C.R.Hall, Thrizino 3. Panchayat Hall, Thrizino 4. School building of respective villages. 5. C.R. Hall of respective villages.	1. Principal / headmaster 2. ADC, Thrizino (9436011511)	-do-
Bhalukpong	1. IFG- Upper Bhalukpong 2. Officer Club – Upper Bhalukpong. 3. Chindang Festival Ground, Tippi 4. Govt. Middle School, Lower Bhalukpong. 5. CR Hall , Lower B/Pong 6. Patel Engg. godown L/Bhalukpong 7. Govt.sec.school upper Bhalukpong.	1.EAC,B/Pong (03782-234425) 9612330331	
Rupa	1. Govt. H.S.School 2. Tukpen School 3. Rajendra Ashram	Principal / Headmaster	Well Connected water supply & Electricity.
Jamiri	Share Hall Jamiri point IB, Community School at Khuppi ,NEEPCO IB at Kimi, Secondary School Buragaon	CO,Jamiri (7085423514)	-do-

Nafra	1.Circuit house 2. Forest Tourist lodge 3.Pry.School building Lower Dzang 4. Hr.Sec.School building 5. I-V school building Khazalang 6.Un used CHC rooms 7. M.E School,Ditchick	EAC, Nafra (8794848910)	-do-

## **Contact Numbers of DEOC /Police Control Room and Fire Service**

- ✚ 03782 – 222201/ 100 (Police Control Room)
- ✚ 03782-222136 (WT Center police )
- ✚ 03782 – 222293/223826 (Distt. Control Room) 8729947950
- ✚ 100 (toll free for any emergency)
- ✚ 03782-222006 & 101 (Fire Service )

## **ROLE & RESPONSIBILITIES ENTRUSTED TO LINE DEPARTMENTS BEFORE- DURING-AFTER FOR ANY TYPE OF DISASTER**

### **✚ ROLE OF WORK DEPARTMENTs & BRTF**

1. They should keep readiness all the manpower/equipments / vehicles under their possessions to provide necessary supports such as details of labours /vehicles / tools & implements for deployment at the sites.
2. Power Department will make all necessary arrangement to provide electricity at emergency Control Rooms, Relief Camps, Hospitals, Telephone Exchange and other vital installations on top priority.
3. Minor repair of the vulnerable areas such as bridges, roads, water supply, power supply, drainage etc are to be done by work departments through their own source before monsoon.
4. PHE Department should have the contingency plan ready before the outset of rainy season and also prepare a plan for alternative water supply system.
5. PHE Deptt. Should conduct Awareness Campaign for importance of safe drinking water and how to purify the flooded water.
6. The WRD will survey the entire area and identify the vulnerable areas/points from which water flow may lead to the flash flood or landslides affecting the habitations.
7. WRD should take necessary steps to prevent the floods to occur despite heavy rainfall and ensure availability of basic equipments well in advance.

### **✚ ROLE OF MEDICAL & VETERINARY DEPARTMENT**

1. DMO should keep all the health units such as Distt. Hospital, CHCs, PHCs, Sub-Centre along with Doctors and paramedical staffs ready to deal with any kind of emergencies.
2. DMO/DVO shall liaise with Army and BRTF for their support in extending medical facilities as and when required.
3. DMO and DVO should take stock of sufficient medicines which are likely to be most needed at the time of disaster.
4. DMO should keep ambulance in running conditions.
5. Trauma care facilities to be arranged at District Hospital, CHCs, PHCs, etc.

### **ROLE OF POLICE DEPARTMENT**

1. Police department will provide manpower for Search, Rescue and evacuation etc. as and when required.
2. Police department will ensure effective functioning of wireless net and coordinate with ITBP, SSB & Army
3. Police department shall maintain law and order problems.
4. Police department will provide wireless communication and fire tenders as and when required.

### **ROLE OF DISTRICT FOOD & CIVIL SUPPLY OFFICER**

1. Sufficient stock of essential commodities and Pol items for at least two months during monsoon season should be kept.
2. He will liaise with FCI and Cooperative authorities so that PDS items needed during and after disaster is made available.
3. He shall keep provision for temporary mobile fair price shop in the site of the disaster if situation arises.
4. To keep a strict vigil on market and FPS owner least they indulge in black marketing.

### **ROLE OF PROJECT DIRECTOR DRDA**

1. PD DRDA will be the in-charge of all the relief camps in the district headquarter. DDSE, DD UD & Housing, DD/ ICDS, DFO will support him in making all their arrangement.
2. They will liaise with other department such as DMO, SP, DF&CSO, PWD, PHED, POWER etc. for necessary help.
3. They should ensure the availability of necessary equipments for setting up of relief camps and kept in readiness, so that the temporary sheds will be constructed within a short notice.
4. Hygienic and sanitation at the relief camps to be maintained.

### **✚ ROLE OF AGRICULTURE AND HORTICULTURE DEPARTMENT**

1. They have to disseminate awareness among the farmers about the variety of crops best suited accordingly to climate and season, soil condition and terrain.
2. To help the local administration in mitigating all kinds of disaster with man power, technical knowledge and materials.
3. The Department should liaise with the WRD for removal of debris deposited in the agricultural/ horticultural land.
4. Print and widely distribute the list of points where certified seeds are available along with names of varieties and rates.
5. Develop a pest and disease monitoring system so that timely steps can be taken to reduce damage to crops.

### **✚ ROLE OF DISTRICT TRANSPORT OFFICER**

1. He shall keep a list of Govt. vehicles, Trucks, Buses, Tata Sumos, Tata Mobiles etc.
2. He shall keep co-ordination with other departments, pvt. Vehicle owners and instruct them to keep in readiness to make available the vehicles at the time of need if arises.

### **✚ DISTRICT INFORMATION & PUBLIC RELATION OFFICER**

1. The Deptt. Of Information & Public Relation could indeed play a vital role before, during and after disaster
2. During any disaster, this office could, with the help of District Administration and Police, arrange for mobile town broadcasting in tune with the guidelines / Do's & Don'ts issued by the Deptt. Of Disaster Management and setup command center for monitoring dissemination of information and rescue work.
3. The office could come handy during the post disaster period by making people aware the Do's & Don'ts after any natural calamity by mobile or static town broadcasting.

### **✚ ROLE OF DEPUTY DIRECTOR, ICDS**

1. Department of ICDS will look after the needs of the children and women during the disaster in collaboration with Medical department and district Administration.
2. Department will make the services of Anganwadi workers available during emergencies.
3. To incorporate provision for disaster risk reduction measures for persons disabilities in the departmental disaster management contingency plan.

- I. Prepare and release information about the incident to the media agencies and other with approval of authority.
- II. Coordinate with Metrological Department to collect weather information and disseminate it to all concerned.
- III. Jot down decision taken and directions issued in case of sudden disaster when the IRT has not been fully activated and hand it over to the PS on its activation for incorporation in the IAP.
- IV. Monitor and review various media reports regarding the incident that may be useful for incident planning.
- V. Maintain records of various activities performed as per IRS form 004
- VI. Performed such duties assigned by IC

## **Operation Section Team**

- |                             |     |                  |
|-----------------------------|-----|------------------|
| 1. Operation Section Chief  | : - | S.P              |
| a) Staging Area Manager     | :-  | EE,PWD/DDSE      |
| b) Rescue & Response Branch |     |                  |
| 2. Natural Disaster         | : - | Fire Officer     |
| 3. Epidemic & Health Hazard | :-  | D.M.O            |
| 4. Manmade Disasters        | :-  | D.S.P            |
| c) Transport Branch(Road    | :-  | DTO(Tpt),EAC(MV) |

## **Role of Operation Section Chief**

1. Coordinate with the activated section chiefs.
2. Manage all field operations for the accomplishment of the incident objectives
3. Request Incident Commander for providing a Deputy Operation Section Chief for assistance, if required.
4. Prepare section operational plan in accordance with the IAP, If required.
5. Consult the incident commander from time to time and keep him fully briefed.

6. Deploy, activate, expand and supervise organizational elements (Branch, Division, Group etc) in his section in consultation with IC and in accordance with the IAP
7. Determine the need for additional resources and placed demand accordingly and ensure their arrival

### **Role of staging Area Manager.**

1. Establish the SA with proper layout, maintain it in an orderly condition and ensure that there is no obstruction to the incoming and outgoing vehicles, resources.
2. Report all receipts and dispatches to OSC and maintain their records
3. Manage all activities of the SA
4. Maintain and provide resource status to PS and LS
5. Ensure the communications are established with the ICP and other locations e.g. different SAs, Incident Base, relief camp etc.
6. Maintain record of various activities performed as per IRS form-004
7. Performed any other duties as assigned by OSC

### **Role of rescue and response branch**

- a) Work under the supervision of the OSC and is responsible for the implementation of IAP as per the assigned role;
- b) Attend planning meetings as required by the Operation Section Chief;
- c) Supervise branch functions,
- d) Report to OSC regarding notifications required if any in the IAP, need for additional resources and when hazardous situations and significant events occur etc,

### **Role of Transport Branch**

- a) Activate and manage different Operations Groups like Road, Rail, Water and Air;
- b) Coordinate with the LS for required resources, and activate Groups of his Branch;
- c) Coordinate with railways, road transport, waterways and airport authorities for support as required.
- d) Report to the OSC and IC about progress of the Transport Branch;
- e) Prepare transportation plan as per the IAP, if required;
- f) Determine the need for additional resources, their proper and full use and place demand accordingly in advance;
- g) Resolve problems and conflicts, if any;
- h) Performed any other duties assigned by the IC or OSC.

## **Planning Section Team**

- |  |     |                       |
|--|-----|-----------------------|
| 1. Planning Section Chief                            | : - | ADC                   |
| a) Situation Unit                                    | –   | EAC/DDMO/OC police    |
| b) Resource Unite                                    | –   | DPO/DHO/DAO/MO        |
| c) Documentation Unit                                | –   | DIPRO /DDMO/DIO (NIC) |
| d) Demobilization unit<br>(MV)/DSP/DDMO/DTO/ foreman | –   | SDO (Sdr) /EAC        |

## **Role of Planning Section Chief**

- a) Coordinate with the activated Section Chiefs for planning and preparation of IAP in consultation with Incident Commander;
- b) Ensure collection, evaluation, and dissemination of information about the incidents including weather, environment toxicity, availability of resources etc. from concerned departments and other sources. The PS must a databank of available resources with their locations from where it can be mobilize.
- c) Ensure that Incident Status Summary (IRS Form-002) enclosed in Annexure is filled and incorporated in the IAP.
- d) Plan to activate and deactivate IRS organizational positions as appropriate, in
- e) Consultation with the IC and OSC;
- f) Determine the need for any specialized resources for the incident management;
- g) Provide periodic projections on incident potential;
  - (i) Report to the IC of any significant changes that take place in the incident status
  - (ii) Compile and display incident status summary at the ICP

## **Role of Situation Unit**

- a) Collect process and organize all incident information as soon as possible for analysis. For such purposes, he can take the help of members of the Single Resource, Task Forces, Strike Teams, field level Government officers and members of PRIs, CBOs, NGOs etc;
- b) Prepare periodic future projections of the development of the incident (along with maps if required) and keep the PSC and IC informed;
- c) Prepare situation and resource status reports and disseminate as required;.
- d) Attend IAP Meeting with required information, data, documents and Survey of India maps etc;
- e) Maintain record of various activities performed as per IRS Form-004 (enclosed in Annexure) and send to Section concerned; and
- f) Perform such other duties assigned by Situation Unit Leader or PSC

## **Role of Resource Unit**

1. Compile a complete inventory of all resources available. He will also access information about availability of all required resources at other locations and prepare a plan for their mobilization, if required. IDR facilities will also be used for this purpose.
2. Update the PSC and IC about the status of resources received and dispatched from time to time
3. Coordinate with the various activated Branches, Divisions and Groups of OS for checking status and utilization of allotted resources;.
4. Ensure quick and proper utilization of perishable resources;
5. Maintain record of various activities performed as per IRS Form-004 and send to Section concerned; and
6. Perform any other duties assigned by PSC

## **Role of Documentation Unit**

- a) Ensure that all the required forms and stationery are procured and issued to all the activated Sections, Branches, Divisions, Groups and Units;
- b) Compile all information and reports related to the incident;

- c) Review and scrutinize the records and various IRS forms for accuracy and completeness;
- d) Inform appropriate Units of errors or omissions in their documentation, if any, and ensure that errors and omissions are rectified
- e) Perform any other duties as assigned by the PSC

## **Role of Demobilization Unit**

- a) Prepare Incident Demobilization Plan (IDP) as per IRS Form-010 given in Annexure
- b) Identify surplus resources and prepare a tentative IDP in consultation with the PSC and give priority to demobilization of surplus resources;
- c) Develop incident check-out functions for Sections, Branches, Divisions and units in consultation with all Sections and send to the PS;
- d) Plan for logistics and transportation support for Incident Demobilization in consultation
- e) Request the PSC for additional human resources, if required;

## **Logistic section team:-**

Logistic section chief	-	ADC
a) Service Branch	-	EAC (Nazarat)
i. Communication Unit	-	DIPRO/ DDMO/DIO
ii. Medical Unit	-	DMO
iii. Food Unit	-	DF&CSO
b) Support Branch	-	SDO (sdr)
i. Resource Provisioning Unit	-	EE,PWD
ii. Facilities Unit	-	EE,RWD/DHPD/Elect
iii. Ground Support Unit	-	EE,PHED/WRD

**Resource providing, Facilities and Ground units are work under the supervision of Support Branch**

## **Role of Logistic Section Chief**

- a) Coordinate with the activated Section Chiefs;
- b) Provide logistic support to all incident response effort including the establishment of SA, Incident Base, Camp, Relief Camp, Helipad etc.;
- c) Participate in the development and implementation of the IAP;
- d) Keep RO and IC informed on related financial issues;

- e) Anticipate over all logistic requirements for relief Operations and prepare accordingly
- f) Assess the requirement of additional resources and take steps for their procurement in consultation with the RO and IC
- g) Ensure release of resources in conformity with the IDP;
- h) Ensure that the hiring of the requisitioned resources is properly documented and paid by the Finance Branch;
- i) Perform any other duties as assigned by RO or Incident Commander.

### **Role of Service Branch**

- a) Work under the supervision of LSC, and manage all required service support for the incident management;
- b) Manage and supervise various Units of the Branch like Communication Unit, Medical Unit, Food Unit and any other activated Unit;
- c) Discuss with activated Unit leaders for the materials and resources required and procure the same through LS;
- d) Perform any other duties assigned by the IC and LSC

### **Role of Communication /Medical and Food Unit**

- a) Work under the direction of the Service Branch
- b) Determine communication facilities, medicines, food items and drinking water requirement and brief the Service Branch and Logistic Section Chief.
- c) Supply resources to various activated section, branches, units and group of IRTs as per direction of the Service Branch.

### **Role of Support Branch**

- a) Work under the supervision of LSC, and supervise the function of Resource Provisioning Unit, Facility Unit and Ground Support Unit;
- b) Procure and dispatch required tactical materials and resources for Operations with the concurrence of the Section Chief;
- c) Participate in the planning meeting of the LS
- d) Perform any other duties assigned by the LSC
- e) Keep the LSC informed about the progress of work;

- f) Resolve problems within his unit, if any;

## **Finance Branch**

	–	ADC
i. Time Unit	–	EAC (Jdl)/DDMO
ii. Compensation Unit	–	DDMO/EAC (Jdl)
iii. Procurement Unit	–	FAO/DDMO
iv. Cost Unit	–	T.O/DDMO

1. **Finance Branch work under the direction of LSC**
2. **Prepare a list of resources to be mobilized, procured or hired in accordance with the IAP. Obtain order from the competent authority.**
3. **Performed any other duties assigned by the LSC or IC.**

## **Role of Time Unit**

- a) Maintain time recording of hired equipment and personnel and ensure that it is maintained on a daily basis and according to government norms;
- b) Examine logs of all hired equipment and personnel with regard to their optimal utilization;
- c) Ensure that all records are correct and complete prior to demobilization of hired resources;
- d) Brief the Finance Branch on current problems with recommendations on outstanding issues, and any follow-up required;
- e) Ask for additional support of human resources for assistance, if required

## **Role of Compensation Unit**

- a) Collect all cost data and provide cost estimates
- b) Follow appropriate procedures for preparation of claims and compensation;
- c) Requisition additional human resources, if required;
- d) Maintain record of various activities performed as per IRS Form-004
- e) Perform any other duties as assigned by the FB

## **Role of Procurement Unit**

- a) Attend to all financial matters pertaining to vendors and contracts;
- b) Review procurement needs in consultation with the Finance Branch;
- c) Prepare a list of vendors from whom procurement can be done and follow proper procedures;
- d) Ensure all procurements ordered are delivered on time;
- e) Coordinate with the FB for use of imprested funds, as required

## **Role of Cost Unit**

- a) Develop incident cost summaries in consultation with the FBD on the basis of cost analysis report.
- b) Make cost- Saving recommendations to the FBD
- c) Complete all records relating to financial matters prior to demobilization
- d) Maintain record of various activities perform as per IRS Form-004

**The Cost Unit is responsible for collecting of cost data, and providing cost estimates. At the end of the response the Cost Unit provides cost effectiveness analysis**

# **Livestock Disaster Management plan**

**DISASTER MANAGEMENT:** - Emergency Management is the managerial function charged with creating the framework within which communities reduce vulnerability to hazards and cope with disaster. Disaster Management does not avoid or eliminate the threats.

The Officers and Officials of the department are constituted as the District Level Team and further constituted as Sub Committee in Sub – Committee in 9 (nine) sub –divisions namely, Bomdila, Dirang, Nafra, Rupa, Kalaktang, Singchung, Thrizino, Shergaon and Bhalukpong. The Sub – Committee is headed by a Veterinary Doctor. The Assistant Veterinarian and Stockman who are posted in different centre to execute the field activities. The report of each observation is sent on monthly basis as MPR to the District Level Team headed by the District A.H & Veterinary Officer.

**FORMATION OF INCIDENT RESPONSE TEAM (IRT):-**

**DISTRICT LEVEL:-**

1. Dr.N.B.Sangma, District A.H & Veterinary Officer, Bomdila.
2. Dr.Omit Tapir, Senior Veterinary Officer, DPC, Bomdila.
3. Dr.T.S.Miji, Senior Veterinary Officer, DDL, Bomdila.
4. Dr.Netan Gombu, Senior Veterinary Officer, CBF, Warjung.
5. Dr.Motashim Akhter, Senior Veterinary Officer, Rupa.
6. Dr.Dargey Tsering, Senior Veterinary Officer, Dirang.
7. Dr.T.Loyi, Veterinary Officer, Nafra.
8. Dr.D.K.Thungon, Veterinary Officer, Kalaktang.
9. Dr. Dipankar Kalita, Veterinary Officer, Bhalukpong.
10. Sri B.C.Talukdar, Assistant Veterinary, Bomdila.
11. Sri Debasis Seal, Assistant Veterinary, Bhalukpong.
12. Sri Saju Sonam, Assistant Veterinary, Shergaon.
13. Sri Rinchin Phuntso, Assistant Veterinary, Nafra.
14. Sri P.D.Bapu, Assistant Veterinary, SWEC, Nyukmadung.
15. Sri Swadesh Nandi, Assistant Veterinary, Singchung.
16. Sri Gagan Phinya, Assistant Veterinary, Singchung.
17. Sri Lei Khandu III, Assistant Veterinary, Sangti.
18. Sri A.C.Boruah, Assistant Veterinary, DPC, Bomdila.
19. Sri J.C.Medhi, Assistant Veterinary, Thrizino.
20. Sri Nima Tsering, Assistant Veterinary, Senge.

**SUB-COMMITTEE, BOMDILA:-**

1. Dr.Omit Tapir, Senior Veterinary Officer, DPC, Bomdila.
2. Dr.T.S.Miji, Senior Veterinary Officer, DDL, Bomdila.
3. Sri B.C.Talukdar, Assistant Veterinary, Bomdila.
4. Sri Dorjee Tsering Komu, Stockman, Bomdila.
5. Sri Tsering Donduk, Stockman, CUC, Wanghoo.
6. Sri Prem Lhondup, Stockman, Bomdila.
7. Sri Partha Goswami, Stockman, Bomdila.
8. Sri Abraham John, Stockman, Bomdila.
9. Sri Ngawang Dechen, Stockman, CUC, Sera.

**SUB COMMITTEE, DIRANG:-**

1. Dr.Dargey Tsering , Senior Veterinary Officer, Dirang
2. Sri P.D.Bapu, Assistant Veterinary, SWEC, Nyukmadung.
3. Sri Nima Tsering, Assistant Veterinary, Senge.
4. Sri Tsering Dorjee Komu, Stockman CUC, Namshu.

5. Sri Lobsang Tashi, Stockman, VAC, Chug.
6. Sri Tenzing Dorjee Monpa, Stockman, Dirang.
7. Sri Lei Khandu III, Assistant Veterinary, CUC, Sangti.
8. Sri Lobsang Norbu, Stockman, Dirang
9. Sri A.K.Mandal, Stockman, Dirang.
10. Sri Gombu Tenba, Stockman, SWEC, Mandalaphudung.
11. Sri Nima Khandu, stockman, SWEC, Dirang.

**SUB COMMITTEE, NAFRA:-**

1. Dr. Tumnyak Loyi, Veterinary Officer, Nafra.
2. Sri Rinchin Phuntso, Assistant Veterinary, Nafra.
3. Sri P.J. Yigam, Stockman, Nafra.

**SUB DIVISION, RUPA:-**

1. Dr. Motashim Akhter, Senior Veterinary Officer, Rupa.
2. Sri Babul Barman, Stockman, Rupa.

**SUB DIVISION, KALAKTANG:-**

1. Dr. D.K. Thungon, Veterinary Officer, Kalaktang.
2. Sri Sonam Tashi, Stockman, VAC, Betchelling.
3. Sri Sandeep Biswas, Stockman, Check Post, samdrung.
4. Sri Siraj Ali, Stockman, Kalaktang.
5. Sri Tsering Ledo Thungon, Stockman, Kalaktang

**SUB DIVISION, SINGCHUNG :-**

1. Sri Swadesh Nandi, Assistant Veterinary, Singchung.
2. Sri Gagan Phinya, Assistant Veterinary, Singchung.
3. Sri Bullo Tagia, Stockman, Singchung.
4. Sri Radhe Tanyo, Stockman, VAC, New Kashpi.

**SUB DIVISION, THRIZINO.**

1. Sri J.C. Medhi, Assistant Veterinary, Thrizino.

**SUB DIVISION, BHALUKPONG.**

- 1 Dr.Dipankar Kalita,Veterinary Officer,Bhalukpong.
- 2 Sri Debasis Seal,Assistant Veterinary, Bhalukpong.
- 3 Sri Probodh Bhuyan,Stockman,Bhalukpong.
- 4 Sri Joram Teer,Stockman,Bhalukpong.

**SUB DIVISION, SHERGAON.**

1. Sri Saju Sonam,Assistant Veterinary, Shergaon.
2. Sri Rinchin Khandu Lama,Stockman

**CONTACT DETAILS:-**

| 7. VO,Bhalukpong                     | :- | 9435476611  |

**RECENT OBSERVATION:-**

Many animals are reported to have killed by heavy rainfall accompanied by hell stones due to poor grazing hut and poor fodder in the ridges and grazing land during summer camp, due to heavy snowfall during winter camp. During extreme winter the animals hardly find any fodder on ground and have to depend totally on food procured by the herdsmen which is very difficult.

The other disaster like Earthquake, Cloud burst accompanied by landslide may also be seen. However pre information can avoid damages and losses through proper coordination with other agencies.

**THE STEPS OF DISASTER MANAGEMENT ARE :-****1. PREVENTION :-**

The team constituted in District Level and Sub – Committee may visit the grazing huts and inform the herdsmen about the coming disaster. The information is given to minimize the loss during the disaster. The

huts/sheds are properly covered and the animals are not allowed to move around. The animals are kept at one place properly under observation.

## 2. **PREPAREDNESS :-**

A District Level Team headed by District A.H & Veterinary Officer and Sub – Committee headed by Veterinary officer and Veterinary Officials are formed to take stock of the situation.

A grazing field is selected that is under close observation of the department. Enough medicine will be procured well in advance and kept to meet the first aid treatment.

## 3. **RESPONSE:-**

The team also collects Medicines on priority basis. The trained officials are put to work in such situation. The Officials keep in touch with the other agencies as well. The village level participation is also sought during such disaster depending the nature of disaster.

## **FIRST AID KIT:-**

- |   |              |                              |
|---|--------------|------------------------------|
| 1. Tr. Iodine/Potash                    | 2. Ointments | 3. Gauges (Cotton & bandage) |
| 4. Tonics (Minerals Mixture & Vitamins) | and          | 5. Long Antibiotics          |

## **Communication Mechanism:**

On the basis of reports from the possible disaster site, or on the warning from the agencies competent to issue such a warning, or on the receipt of warning or alert from Emergency Operations Center, the Collector will exercise the powers and responsibilities of the District Disaster Manager. The list of the agencies competent for issuing warning or alert is given below:

1. Disaster Agencies
2. Earthquakes IMD, MERI
3. Floods Meteorology Department, Irrigation Department
4. Cyclones IMD

5. Epidemics Public Health Department
6. Road accidents Police
7. Industrial and Chemical Accidents Industry, Police
8. Fires Fire Brigade, Police

The warning or occurrence of disaster will be communicated to ♦ Chief Secretary, Relief Commissioner, Emergency Operation Center ♦ Office of Divisional Commissioner ♦ All district level officials, Municipal Councils ♦ The Officials of central government located within the district ♦ Non-officials viz; Guardian Minister of the district, Mayor, ZP President, MPs, Local units of the Defense Services.
